Big Energy Saving Week

Big Energy Saving Week, funded by the Department of Business, Energy and Industrial Strategy, is a collaboration between Citizens Advice, Energy Saving Trust and other voluntary and charitable organisations. The main aim of the week is to give consumers all the advice and assistance that is out there in relation to their fuel bills.

An Advisor will be present in the Annexe on **Friday, 26th January**, and would be happy to talk to individuals about their energy costs. If you would like some advice, please bring along your latest energy bills.

Teams (strictly 4 people per team) can be made up on the night. All answers are multiple choice, so the answers are staring you in the face!
